

Personnel Administration

Chattanooga's number one priority is to provide the most effective and efficient services to the citizens. Our program is designed to provide one with challenging and rewarding opportunities and a chance to build a career and future.

The City's compensation package includes:

salaries, major medical health insurance, life insurance, social security, retirement plans, deferred compensation plans, worker's compensation, leave, and unused leave pay, leave buyback.

Salaries. Salaried and hourly employees are paid on a weekly or biweekly basis, dependent upon position. Employee salaries and fringe benefits represent 56% of the total FY2002 operating budget.

On January 31, 1995 there was an ordinance passed (Ordinance 10163) that provided for overtime pay and compensatory leave. All non-exempt (any pay grade) and exempt employees in pay grades 1 through 11 who work more than 40 hours during a work week or more than his or her normally scheduled work day or exceeds the maximum work hours in his/her normal work period are to receive overtime pay.

Premium compensatory leave has been deleted. A provision has been established for exempt employees

Employees in pay grade 16 and above shall be ineligible to receive overtime pay or compensatory leave unless expressly authorized by the mayor and/or City Council.

Major Medical Health Insurance. Chattanooga provides major medical health and hospitalization group plans to all full-time employees. Coverage begins on the first day coincident with or immediately following completion of 90 days of active employment. Currently, the City of Chattanooga contracts with BlueCross and BlueShield of Tennessee for employee medical coverage. For FY 2002, the monthly City contribution for those employees with an individual policy is \$181.24, subscriber + child is \$302.20, subscriber + spouse is \$369.40 and family is \$512.10

In FY 2002, an employee's Major Medical Health and Hospitalization group plan cost will amount to \$9,789,410, with another \$1,881,600 projected to be spent on job injuries.

Life Insurance. On July 1, 1986 the death benefits of the group term life insurance program sponsored by the city for all eligible employees was upgraded to equal to 100% of an employee's annual salary, with a maximum benefit of \$40,000. For FY 2002, the cost of this life insurance benefit will be \$0.295 per \$1,000 of salary.

Social Security (FICA). All City employees are enrolled under the Social Security Act, except for sworn Fire & Police personnel. The City contributes the employer's share of 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$76,200. Additionally, the Federal Insurance Program requires that an additional 1.45% be paid on all earnings.

Deferred Compensation. The City provides a voluntary Deferred compensation Plan opportunity for its employees to supplement the City-provided retirement plan. The City does not contribute to this supplemental plan. The three companies offering this benefit are ITT Hartford Life Insurance Company, AETNA and ICMA (International City/County Management Association).

in pay grades 12 through 15 who work in excess of the maximum allowable hours worked to be credited with compensatory leave equal to one times the number of excess hours so worked.

- The practice of buying back leave will be subject to the availability of funds to do so at the time of the request, the determination of which availability will be at the sole discretion of the city administration; and
- Funds realized by employees from the sale of leave will be excluded from pension-eligible earnings.

Personnel Changes

Since fiscal year 1999, the city has authorized a cumulative total of 43 new positions. This can be attributed the continued efforts set by the Council and Mayor to provide programs promoting cleaner, safer, neighborhoods; improve public safety; improve Parks and Recreation; and continue community and economic development.

In fiscal year 2002, the City authorized a reduction of 156 positions, this is a 5% decrease over last years 2,950 authorized positions. This decrease is a part of the City's staff reduction plan. Due to the financially tight budget situation going into fiscal year 2002, the City was forced to consider elimination of positions that were viewed as nonessential. The goal is for the eventual elimination of 200 positions. The first step in the process is to cut 114 full and part-time vacant positions in fiscal year 2002. The remaining difference will be eliminated in fiscal years 2003 and 2004. Most of these positions are scheduled to go away at December 31, 2002. For employees who's jobs are targeted for elimination, the City will try to place them in other positions. This staff reduction plan provides for minimal terminations of existing employees. It allows for gradual reduction in the City's workforce while minimizing the negative impact to existing employees. The Fiscal Year 2002 changes are as
